**CAPRICCIO** / DESIGNED BY NATUZZI DESIGN CENTER

A team of architects, interior designers and colorists works to create individual models, the different environments and combinations of designs, functions, materials, and colors.

A boxy, compact design,  
ideal for urban spaces.

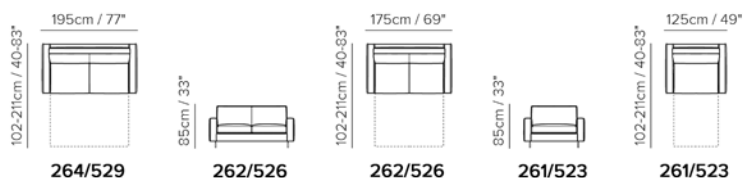

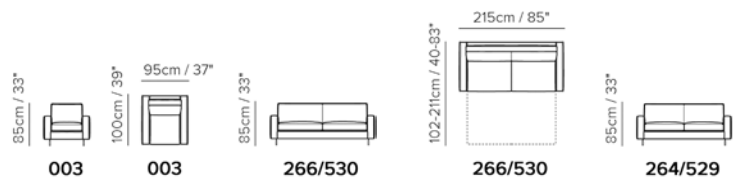

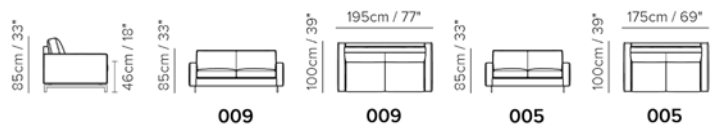

## FEATURES

- 1.** Capriccio is a sofa bed with a square compact silhouette.
- 2.** The design has been fitted with the exclusive Pronto Letto mechanism; at the flick of a wrist, this mechanism turns the sofa into a bed and then back again, while also boasting a hidden storage unit to stow away pillows and bed linen.
- 3.** An ideal solution for urban spaces, with its dual nature, this project provides a new refreshing take on the idea of comfort.
- 4.** Available with Greenplus or Memory Foam mattress, completely removable and easily washable.
- 5.** Metal feet available in various finishes and with contrasting piping as an option for a tailor-made style.
